

First Announcement

9th Australian Conference on Laser Diagnostics

December 2-4, 2019
Glenelg, South Australia

The 9th Australian Conference on Laser Diagnostics* follows on series of successful conferences since the first Sydney conference in 1996. The conference aims to bring together Australian and international researchers to discuss the development and applications of laser diagnostic techniques. The conference will be held in Glenelg, a vibrant seaside of Adelaide and only 10 minutes from the airport.

*Every good conference deserves a good name

The steering committee agreed on a new name for *Australian Conference on Laser Diagnostics in Fluid Mechanics and Combustion*. It is now: *Australian Conference on Laser Diagnostics*
Areas of interest include, (but are not restricted to)

Turbulent flows	Food, Wine & Water	Solar Energy	Plasma
Reactive flows	Lasers & Photonics	Mineral Processing	Combustion
Multiphase flows	Optical Devices	Space & Defence	Agriculture
Hypersonic flows	Engineering Applications	Environment	Imaging

Organising Committee

Associate Professor Zeyad Alwahabi (Chair)
Associate Professor Paul Medwell (Co-Chair)
Professor Gus Nathan
Dr Michael Evans
Dr Philip van Eyk

One registration two conferences

The 9th Australian Conference on Laser Diagnostics will be followed by the Australian Combustion Symposium, which will be held at the same venue from Dec 4-6, 2019. Registration for one conference only, may be considered on request.
